He: You know what!

She: I think I do but I'd like you to tell me.

He: You tell me!

She: What do you want to know?

He: What are you wearing?

She: T-shirt and jeans, bare feet, red pedicure.

He: Great I love feet. But tell me about your panties.

She: Thong, baby. Black lace. Sheer and snug.

He: Are you wet?

She: How will you know?

He: Tell me where your hands are.

She: Mmmm.. tell me where you want them.

He: Grab your titties.

She: Way ahead of you, baby. I've been squeezing my DD's when you type.

She: Should I pull on my nipples?

He: No, wait. Tell me how it feels first. Rubbing your tits.

She: My tits feel great. Firm. Bouncy. Very sensitive.

She: I like to graze my fingernails across my breasts.

She: And then pinch my nipples as hard as I can.

She: (sometimes I squeal!)

He: Can you imagine my hands gliding across your skin?

She: Your hands are rough (giggles) and strong and manly.

She: <knees melting>

She: <heart pounding>

She: <pussy moistening>

He: Yeah, that's what I'm talking about.

He: Now, I need you to take your right hand and start playing with yourself.

He: Will you do that for me, babe?

She: Talk me through it.

He: Check if you're wet. Slide your right index finger into your pussy crack.

He: Tell me — are you wet?

She: Dripping.

He: Good girl. Now take your middle finger and ease it between your pussy lips.

He: Take your time. Tell me everything.

She: I can feel my own pussy heat, so hot on my hand.

She: So slippery.

She: I'm drenched.

She: Can I taste please? Just a drop, I have so much to spare.

He: Lick your finger, how is it?

She: Mmmmm.... my pussy juice is sweet, baby, and there's so much of it for you.

He: Do you wish I was right there with you right now?

He: If I was, I'd be kissing on your neck.

He: Slowly up to your left ear — my voice and hot breath:

He: "I'm so fuckin' hard right now."

She: Goddamn I'm so hot this is so hot you are so hot

He: Working my way down your collarbone, your breasts.

He: Licking every inch of your full left tit before taking that perky nipple into my mouth!.

She: Please don't forget the right one!

He: Stomach kisses, hip kisses, thigh kisses... know where I'm going?

She: Spreading for you, baby! Oh please baby oh please eat me up!

He: Gliding my tongue, flicking your slit.

She: How's my pussy, baby?

He: It's heaven.

She: Tell me how you like to eat my pussy.

He: Your cunt is like candy! Your thighs soft and supple like bubblegum.

He: <burying my face between your legs>

She: My clit is on fire! Please can I cum?

He: Only if we can keep going.

He: I think your ass is jealous of your pussy.

He: Turn over, Ima eat your ass.

He: And then I'm gonna fuck it.

She: OK I'm back (dropped the phone).

She: I'm glad you wanna eat my ass too, it's been awhile.

He: I am serious about the fucking.

She: Me too.

She: Not yet. Mmm. Nice. Tell me something sweet.

He: I wish I was there to finger your clit and drip warmed lube on your dildo.

She: And feather-lick my asshole. I love that.

He: Nice and light around the pink. Softly exploratory fingers too.

She: Nice. Good. More.

He: Push gently baby, open your asshole for my big dick.

She: You're too big.

He: No, no. Relax. Go slow. Breathe baby breathe

He: I will

He: And you'll scream and squirt everywhere

She: I want your big hard dick inside of me

She: Where it's nice and wet waiting for you

He: I'll tie you up to the bed and get on top of you after eating you out and be so rough and passionate, you'll be itching to get out of those handcuffs so you can ride me till kingdom cum

She: God I hope you're hard right now

He: Rub your clit soft and gently

He: If you have to get lube or use your spit and get yourself wet down there

He: Rub harder and harder in circular motion

He: With your other finger only insert your pinky

He: Finger yourself until you want more

He: Go to your index finger and finger and finger, feel yourself inside

He: Imagine how great it feels for me to inside you

He: Man I'm gonna have some fun with you

She: I think so too

She: Do you like eye contact when I'm sucking you off?

He: Yes please I wanna see those gorgeous eyes of yours

She: Can you orgasm from it?

She: A blowjob? Not my eyes

He: Yes to both

She: What's your recovery time like?

He: It really depends on recent masturbation tendencies but idk 5-10 min probably?

He: Maybe a little longer

She: Damn

She: Nice recovery

He: I am constantly horny

She: I feel like something's missing in my life...

She: Namely you.

She: Between my legs.

He: Yeah you got me all riled up

She: Did I?

He: Yeah I want to see you bent over in high heels

She: I'm assuming it's a nice view

He: Ugh such a tease

She: I'm thinking about you bending me over like that though. Is that really being a tease?

He: Oh yeah? What am I doing?

He: In your little fantasy

She: You're pulling my hair back so that my back arches just a bit so you can hit closer to my gspot when you're inside of me

He: Mmm I love that feeling when I thrust deep inside and my thighs press up against the back of yours.

He: Just remember you don't get to cum until I say you can

He: baby just get here so i can fuck you how you like it

She: Size doesn't matter when you're horizontal anyway

He: Or when you're bent over my bed

She: Now you're talking

He: Might not even have time to take your skirt off

She: You can move the panties to the side

She: If I'm wearing any

He: That's my girl

He: Have you ever been with someone 6' 5"? Or similar height?

She: No, never haha.

She: You're very tall lol

He: Haha just wait until I have you bent over and I reach around to rub your clit

He: 5' 11" dudes could never

Chat 16

He: I want you to promise me one thing

She: Ok

He: Tonight you will not move from there until I make you come with my mouth

She: I promise

She: That's what I want

He: Oh baby

He: Good girl

She: I don't mind if you set the pace with your hand on my head, either.

She: I just want it to feel good

He: I'm just gonna lightly wrap my hand around your hair to keep it out of your face and keep a little control
He: over that pretty little mouth

He: Go slow though

She: I can do that

He: Really take your time and enjoy it

She: I will figure out what makes you tick, don't worry.

He: Because I'm gonna tease the hell out of you before I let you cum all over my face

She: I want your cock so bad my pussy is aching

He: Oh god I want to fuck you so deeply

She: Tell me how baby

He: I want to make your pussy raw and cum in your face. You're such a dirty bitch and you're all mine

He: My cock gets so hard when i think about fucking you, kissing your neck and pulling your nipples hard.

She: I want to be thrown on my tummy with my hands behind my back, have you pull my hair while forcing me down, fucking me until I cum on your cock

He: I'm going to hold your hands down and peel your pussy lips apart so I can lick your clit and stick my tongue inside you. Then when you are dripping wet I'm going to push my hard dick into your tight pussy as deep as I can.

He: I'm going to tease you by fucking you with just the tip so you are begging me to go deeper and when you think you cant take it anymore ill grab your hair and pound you from behind and spank your ass because your such a dirty girl.

He: Then when you've cum all over my cock I'm going to turn you over and force my cock all the way down your throat and fuck your face. And just before I cum I'm going to pull out and cum all over your face.

She: If I'm around you, we won't have a problem making sure I'm "well lubricated"

He: Shh shh just say "Thank you, daddy"

She: Then come over and fuck me right now "daddy"

He: Call your boss and tell them you won't be in tomorrow. You're going to need a personal day to sleep and recover after what I do to you all night long.

She: Who needs sleep when there are so many other fun things to do?

He: Go get your vibrator

She: No, I want to play with you first

He: Oh yeah? What did you want to play with?

She: What does your neck taste like?

He: Hmm I'm not sure, I guess you'll have to tell me

He: I really want to eat you out until you forget why you had any worries in the first place

She: I'm about to get a shower.

He: That sounds sexy

She: I'm going to rub my pussy thinking about you

He: Tease

He: I want to lay you down on the bed and take your panties off with my teeth inch by inch

He: sliding down your legs. After that I want to gently circle your clit and I won't stop until you tell me to

She: Could you do one really important thing for me though love?

He: ?

She: Could you please French kiss my sweet little pussy love?

She: I want to feel your warm mouth on me. Your wet tongue gliding slowly around my clit.....

She: And cuddle me after all this rough lovings.

He: I can indeed my little fucktoy

She: Mmmm.... I feel all flush and tingly

He: That's how your going to feel when I spread your pussy with my tongue and make you come with my mouth

He: We're in the shower and you're soaking wet...everywhere. We get so worked up, rubbing my hard hard cock against your

clit, that we do it on the couch soaking wet

He: Are you at work

He: When you have a free moment, slip away and show me you pretty little tits

She: Yes sir

She: I want your hands to be all over my body, slowly moving over my nipples and feeling them get harder under your finger tips. I can feel you tracing every curve of my body, eventually going down between my legs, feeling how wet I am, teasing my clit until I can't take it anymore and I beg you to eat me out

He: Oh dear god I just cam so wonderfully. Thank you.

He: i want to slowly spread your legs wide and kiss down the inside of your thighs

He: I love how wet you get

She: Well you know how to turn me on

He: that makes me want to even more

He: then i want to kiss all the way down the inside of your thighs

He: all the way down

She: I can feel your kisses

He: and slowly spread you open

He: and gently lick up and down

He: outside first

He: then work my way in

She: My back is arched just thinking about that

He: so hot

He: then lick up and down

He: right in the middle

He: and slowly close in on your sexy clit

He: and id curl my middle finger up, gently pressing on your g spot

He: and rub up and down

He: up past it, down over it, then stop right before i pull out

He: over and over

He: as im licking your clit

She: Omg I so wish you were here

He: so do i

He: and then i would slowly speed it up

He: pressing harder and harder on your g-spot

He: as i keep licking

Chat 28

She: I was using my wand thinking about you fingering me with my plug in holding my wand to my Clit slowly pressing and easing off massaging me with the wand my hands tied above me so I was helpless to you as you made me squirt and cum and splash till you were satisfied

He: trying to concentrate on my work but all I've been doing is daydreaming about having you bent over my desk with your jeans around your ankles

She: Could you please....

She: Thrust your cock deep inside my mouth. Stretching my throat and making me squirm while I'm all tied up.

He: you back on to me so I can finish the job

She: I can't wait to have you inside me while you play with my clit, ramming me so hard and making my legs shake. I want to be gasping for air while begging for more

He: I can't wait to pick you up from the couch and take you to the kitchen counter and pleasure you and then pick you back up and pin you up against the kitchen wall and continue

She: Fuck I want that so bad

She: I want to go all night

He: We can and we should

She: I want massage your shoulders

She: Is that weird?

He: No

He: Will you be naked?

He: So come sit on my face

She: Make me cum?

He: I'd love to

She: Repeatedly

He: Over and over and over

She: Until I scream

He: Oh yes, I won't stop

She: I want to be shaking

He: I'll make you shake, that's such a turn on for me

She: can you come over & eat me out?
